GIVING ENVELOPES AND EFT

Current sets of envelopes are on the welcoming table. You can also give to God’s work here at APOSS via electronic banking. If you are familiar with internet banking then you may like to set up a regular automatic transfer to the APOSS bank account. See Diana for the bank details if you are interested. Several people are already doing this.

This is a good opportunity to prayerfully reconsider your giving. We have been blessed by the BCA’s support , but our long term goal is to be self funding as we continue to be a Bible based , Christ centred church in the years to come.

NEW CARPET IN CHURCH

You may have noticed last week that some new carpet squares have been installed in the church (in the children's area and under the seats). We hope this will be of aid for comfort, adding warmth and reducing noise echoes. Thanks to Paul and Diana for organising this for the church.

NEW CAMERA

We have also recently purchased a digital camera. This will enable us to have easy access to a camera when we feel it is appropriate to take some photos of our ministry events. This will be beneficial for our power point presentations, publications, and our web site. Thanks Mark for your research and organising it for us.
